Do you want to gain more intercultural skills during an internship in [The Netherlands](#)? Do you feel comfortable in talking with youth, are you open and communicative?

ROC Friese Poort in **Sneek** is a high vocational education institute in the north of **The Netherlands** with over 3.500 students (16 to 19 years old) following education in Retail management, Junior accountmanagement, Economy and Administration, Marketing and Communication, Hospitality, Restaurant management and Maritime being just some of the courses offered here.

Many programmes include German lessons. For these lessons we are offering internship places throughout the whole school year. As intern you assist the teacher during lessons, with emphasis on improving our students' conversational skills.

The minimum length of the internship is 8 weeks, in which you will assist the teacher with classroom activities and support the team in day-to-day activities, such as projects, school-trips, etc.

We can help with looking for accomodation.
