

## English Language Teaching Assistant

We are looking for a student or a recent graduate with an Erasmus+ EU grant, eager to gain experience as assistant in a primary school, with a high level of English to encourage our students to use English as a functional language. The duration can be from 3 to 6 months for the next school year 2022/2023.

Our institute is located in Grottaferrata, 15 km away from Rome and is hosting more than 1000 students from Pre-school, Primary and Secondary school.
