Project Staff Capacity Building for Inclusive International Education through Micro-Credentials

The specific objectives:

- ✓ **Staff competence development:** micro-credentials governance, European recognition frameworks, virtual mobility design;
- ✓ **Institutional policy framework:** one comprehensive micro-credentials policy adopted by university leadership;
- ✓ **International partnerships:** formal agreements with European universities;
- ✓ **Pilot micro-credentials courses:** inclusive language teaching focus · fully designed, quality-reviewed, and validated;
- ✓ **Long-term sustainability:** all processes documented for independent replication.

The general objective

Building sustainable staff capacity for internationalisation at DSPU – by developing real expertise in micro-credentials, European QA, and inclusive education
