

National University “Zaporizhzhia Polytechnic”

Vivere est cogitare

UNIVERSITY PROFILE

A leading state higher educational institution in the South-East Ukraine. The history of the educational institution dates back to 1900 when a 7-year vocational technical school was established. It trained technicians and mechanics for industrial enterprises. Over 110 years our university has been graduating thousands of professionals many of whom became leaders in the respective branches of Ukrainian industry.

INTERNATIONAL PROJECTS AND GRANTS

INTERNATIONALIZATION AIM

to transform NU “Zaporizhzhia Polytechnic” into an international institution of higher education with high standards of education and science quality, joining the group of leading polytechnic universities in the world

ABOUT PROJECT

Title of the project – “Internationalization at National University “Zaporizhzhia Polytechnic”: development strategy in today's conditions”

PROJECT RELEVANCE AND MAIN GOAL:

NU “Zaporizhzhia Polytechnic” is in dire need of developing a new strategy due to the negative consequences and challenges of the war, the predicted demographic crisis, and inevitable structural changes in the Ukrainian economy, which has a direct impact on the sustainable development of Zaporizhzhia Polytechnic. That's why the main goal of the project is to update the Internationalization Strategy of NU “Zaporizhzhia Polytechnic”. Therefore, the project should result in a draft updated internationalization strategy.

Alina Kazurova, Ph.D. in Engineering Science, Head of the Centre for Internationalization and International Cooperation
