SUMMER
@ THE CHINESE UNIVERSITY OF HONG KONG
2018
See You @ CUHK!
The Chinese University of Hong Kong

As the second oldest university in Hong Kong, CUHK is a comprehensive research university with a global vision and mission to combine tradition with modernity, and to bring together China and the West. CUHK has been at the forefront of research, advancing the frontiers of knowledge and technology. It boasts a galaxy of distinguished scholars and researchers, who include four Nobel Laureates, a Fields medalist, a Turing Award winner, and members of the Royal Society.

Overlooking the scenic Tolo Harbour, CUHK is the largest, greenest and most sustainably designed campus in Hong Kong. CUHK distinguishes itself from other local universities with its firmly rooted Chinese culture, multiculturalism and a unique college system. It houses a range of facilities essential for an all-round campus experience, such as world-class libraries, art museum, music halls, swimming pool, sports fields, tennis courts, squash courts, water sports centre and gymnasiums.

HONG KONG
Asia’s World City, City of Life

Hong Kong is not just an ordinary metropolitan city. It is the hub of Asia. A city that never sleeps with non-stop intensity. A perfect blend of fascinating contrasts where East meets West, where busy city pace meets natural countryside, and where endless skyscrapers meet traditional lifestyle. Here, you can find a variety of rich and diverse experiences packed in an easy and fast to get around city.

Experience life in an international cosmopolitan

About nine percent of Hong Kong’s population of 7.4 million are from foreign countries, creating multicultural lifestyles that are unique to the city.

Learn about business and trade in the world’s freest economy

Hong Kong has exceptional autonomy in trade and business where many multi-national corporations establish Asian headquarters here. Many people come to learn the secrets of Hong Kong’s success.

Follow traces of Chinese and Western cultures

Traditional Chinese values such as loyalty to friends and family, and respect for the elderly are well preserved while its history as a former British colony has left a legacy of western ways.

Eat and shop around the clock

Street stalls and shopping malls offer great bargains and operate until late in the evening. Chinese and international cuisines are abundant and delicious night snacks can be found at 24-hour eateries.

Explore the outdoors

About three-quarters of Hong Kong’s land is countryside. Escape the bustling city life on one of the world’s most convenient public transportation system and enjoy the wide variety of outdoor activities available.

Travel to mainland China and Asia in a blink

The commuter train from CUK to reaches the border of mainland China in just 25 minutes. A day trip to Shenzhen or study break to Beijing are just some of the extensive options available. Being in the centre of Asia, travelling around is extremely fast and easy. Flying to Japan, Korea, Singapore, Thailand or Vietnam only takes a nap.
CUHK International Summer School

The CUHK International Summer School (ISS) is one of the most reputable and recognised summer programmes in the Asia-Pacific region. Each year, more than 600 international and local students join the July and August Sessions of the ISS to experience its intensive academic sessions and Chinese culture immersion in a bilingual and multicultural learning environment.

JULY session
24 June to 1 August 2018*
In the five-and-a-half-week programme, you can enroll in up to two 3-credit courses, each with 42 to 45 contact hours, taught entirely in English*. Areas of study include business & management, China studies, Chinese language (Cantonese and Putonghua), environment, science & technology, and humanities & social science.

* For students enrolled in the course IBMM4010 Issues in Asian Business, the programme will commence on 14 June 2018.

AUGUST session
3 to 25 August 2018
The three-week programme offers intensive Chinese language training in Putonghua (Mandarin). You enroll in two 3-credit courses, each with 42 contact hours. The programme will give you an opportunity to acquire pragmatic competence in the Chinese language through classroom learning and immersion activities.
International Learning Environment
Interact with local and international students from around the world at the beautiful CUHK campus.

Outstanding Academics
Learn from and engage with leading academics from CUHK and prestigious overseas universities.

Comprehensive Student Support
Get extensive support from a team of advisors for all your application, visa, housing, course and pastoral care needs.

Summer Undergraduate Research Programme

The Summer Undergraduate Research Programme (SURP) provides an opportunity for international undergraduate students to undertake research attachments for 8 weeks at CUHK during the summer. Students will conduct research under the supervision of a CUHK faculty member and earn 3 credits upon successful completion of the programme.

24 June to 19 August 2018

- Develop research skills and knowledge in a specific area of interest
- Join a world-class research team and work alongside leading experts in the field
- Experience postgraduate studies first hand
- Establish professional networks for future career
- Spend the summer in the vibrant city of Hong Kong
- Immerse in the local culture through activities and excursions
- Live on-campus with local and international students
Research Topics
Around 80 research projects across different disciplines are available for SURP participants. For the most updated list of topics offered, please visit the programme website.

Faculty of Arts
- Brain & Language
- Speech Production & Perception Research

Faculty of Education
- Using Robot-Based Intervention to Teach Children with Autism Social Communication Skills

Faculty of Engineering
- Autonomous Agents & Multiagent Systems
- Photonics Based on Two-Dimensional Nanomaterials

Faculty of Social Science
- Gender Unbound: Young Hunks in Asian Media
- The Effects of Global Change on Soil Greenhouse Gas Exchange in a Subtropical Forest of Hong Kong

Faculty of Medicine
- Functional Importance & Clinical Implication of Novel Genes in Gastric Cancer
- Green Tea for Treatment of Endometriosis
