BRIEF DESCRIPTION OF THE UNIT / RESEARCH GROUP

The School of Economics and Management offers degrees in „Economics and Management” and „Engineering and Business Administration“, both as Bachelor’s and Master’s degrees. All degrees are accredited and based on the European credit system (ECTS). The 21 institutes offer courses covering the areas of business management, economics, statistics and empirical economics on both academic levels.

WHAT WE OFFER / PROJECT DESCRIPTION

Double Degree Master Programme

An agreement between the Institute of Industrial Management, Economics and Trade (SPbPU) and the School of Economics and Management (LUH) permits students from SPbPU and LUH to participate in a joint two-year full-time Double Degree Programme in the area of Economics and Management (LUH) and Management (SPbPU).

Student Exchange

The School of Economics and Management (LUH) welcomes students from SPbPU with a focus on Economics and Management to spend a semester at the faculty or participate in the HISSEMA (Hannover International Summer School of Economics and Management).

Lecturer Exchange

The possibility of a lecturer exchange provides transfer of knowledge in the field of Economics and Management.
