The IBERO Puebla is a private-higher education institution founded in 1983, underpinned by the Jesuit educational tradition, which has flourished worldwide for close to five centuries.

Our core is the human being, not only as a student and as a professional, but also as a social being, our institution provides our students an ethical and comprehensive education in which scientific and technical progress go along with the strengthen of human values, in a context of respect for diversity of ideas and beliefs.

Our mission is to contribute to the formation of competitive professionals, committed to serve to others through the development of academic and human strategies in order to promote the achievement of a solidary, inclusive, and equalitarian society.

PROFESSIONAL EXPERIENCE

If you are interested in this experience contact us at least 6 months in advance.

INTERNSHIPS

This learning experience is placed in public or private organizations. Students must demonstrate the competencies they have acquired up to that point in real scenarios, in which they must apply their critical judgment and knowledge from the ethical vision of their profession.

SOCIAL SERVICE (Service Learning)

IBERO Puebla works directly with many institutions and non-profit organizations. This program allows the student to get involved from their professional training, in various social problems of the country. (you must meet specific requirements to participate)

VOLUNTEERING

Today it is essential to know, watch and work for the good of other realities, that is why the IBERO Puebla Volunteering invites you to be part of this team. Your hands and empathy contribute to a better world!
