Call for applications: https://bit.ly/36Tsd5b

Official language
Spanish is the primary language of instruction. However, there are some courses offered in English.

Language requirements
Spanish Language Level Certificate equivalent to “B2” of Common European Framework of Reference for Languages for those whose native or instruction language is not Spanish.
Note: Some programs require “C1”

List of courses taught in English
www.unaminternacional.unam.mx/en
For courses taught in English: TOEFL IBT = 90 or IELTS = 6.5
### Spanish and Mexican Culture courses for exchange students

Centro de Enseñanza para Extranjeros

**Centro de Enseñanza para Extranjeros** (Exchange students are entitled to a discount on the courses. It is independent from the mobility program and no credits are involved.)

### Area of Study

**Area of study open for exchange students**

1. Physics, Mathematics and Engineering  
2. Biological Sciences and Health  
3. Social Sciences  
4. Humanities and Arts

**Procedure and Schools specific requirements**

**Area of study NOT available for exchange students:**

Some areas in Medicine and in Veterinary Medicine

**Please consult:**

### Language courses

Other possibilities for improving other language skills free of charge for exchange students from partner universities (to be taken during the semester of mobility. It is independent from the mobility program and is limited to only one foreign language course)

http://enallt.unam.mx. (No credits are involved)

### Exchange information

**Application procedure:**

The application process is through our online Student Mobility System. If your university has not received a user account and password to access the system, please contact us to ask for an account to be opened at: nvillanueva@global.unam.mx

A System User Guide will be send to your international office, both for you and students, with all the details of the online application process.

The International Office will contact the nominated exchange students and provide all necessary information about the online application procedure. Your international office starts the nomination process on system by “Pre-registering” the nominated students; then the student will receive an e-mail notification with a link to complete application online and upload required documents. Your international office ends the process at reviewing and approving application on system; when this is completed, UNAM receives student’s application through system as well.
