

Double Degree program for Master students at the University of the Sunshine Coast

USC offers you the opportunity to apply for recognition of prior tertiary learning towards a USC Master degree allowing you to complete a USC degree in a shorter period of time.

With a Double Degree from the University of the Sunshine Coast you will

- increase your English language skills,
- further deepen your business knowledge,
- improve your social skills and personal growth,
- gain competitive advantage with a second international degree qualification; and
- experience the Australian lifestyle.

The perfect start for an international career.

USC OFFERS A RANGE OF MASTER PROGRAMS

- Master of International Business
- Master of Management
- Master of Business Administration

PROGRAM STRUCTURE OF ALL MASTER PROGRAMS

The USC Master programs are generally 3 semesters in duration. However, you may be able to complete a USC Master degree in a minimum of one semester if you already have completed studies on the Master level at your home university.

USC can credit up to 60 ECTS (two semesters) of your prior Master studies towards the USC Master degrees. If your home university also provides credit transfer for your USC studies you may be able to complete both Master degrees in the same time period — giving you a double degree!

Please contact the International Office at your home university or USC International for further information on any established credit transfer agreements.

USC ENTRY REQUIREMENTS FOR MASTER PROGRAMS

Admission requirements

For the Master programs you will need a Bachelor degree. For the MBA you will also need evidence of at least two years relevant full-time work or other relevant experience. For credit transfer, you must have successfully completed business related study at a Master level from a recognised tertiary institution.

English language requirements

IELTS: Overall score of 6.5 with minimum 6.0 in each subtest

TOEFL: Internet-based — overall score of 85 with a minimum of 21 for writing and minimum score of 20 in all other sections

German applicants can submit the DAAD language certificate, minimum requirement of `A' in writing, and a minimum of `B' in all other 3 test areas

For other accepted proficiency certificates please refer to the English language requirements:
