Teaching platform

Platform like Chinese Bridge Delegation Online, VooV meeting and WeChat will be used (please check the email for the website, account name and password of the class platform)

Note: All students are required to register on the official Chinese Bridge website (bridge.english.cn) before enrolling.

Courses Introduction

1. Opening ceremony, lecture about exchange at Tongji University and orientation course

Opening ceremony: introduction to the Winter Camp and teachers and teaching assistant; Brief introduction to Tongji University and its major settings; Orientation course: an oral Chinese proficiency tests for new students will be conducted according to the classes that are divided before the camp. Then, teachers and assistant might adjust class accordingly, also establish class chat groups and distribute relevant study materials.

2. Chinese Course (live)

Considering that students should enjoy more practical opportunities to use Chinese while studying online, the course will consist of two parts: "comprehensive course" and "practice course". This program is planned to be taught in small classes, with no more than 20 students in each class. Students will be divided into different class according to their Chinese language proficiency, and attend various courses. After class, we can arrange teaching assistants to help international students practice Chinese so as to create an "immersive" language environment according to your needs.

3. Cultural Workshops (recorded broadcast)

➤ Workshop: Chinese traditional clothing

Students will discern Han Chinese clothing and enjoy traditional Chinese costume performances.

➤ Workshop: Chinese Cuisine

Students will learn about Chinese food culture and eight regional cuisines, and learn to make Chinese dish and traditional Chinese dim sum.

➤ Workshop: Chinese martial arts

We will introduce students to traditional Chinese martial arts and Health Qigong (a practice that incorporates physical postures, breathing techniques, and mental focus, intended to improve physical and emotional health) and teach a set of fist position to students.

➤ Workshop: Chinese Painting and Calligraphy

Students will get to know the Four Treasures of the Study (writing brush, ink stick, ink slab and paper). Moreover, students will learn how to draw Chinese painting and write Chinese Calligraphy with teacher.

4. Academic Lectures (recorded broadcast)

➤ Lecture 1: Urban development in Shanghai

Students will get to know the city and understand the latest urban development concepts through our presentation of Shanghai's urban development and some of its representative buildings.

➤ Lecture 2: Economic Development Miracle--China

Students will be introduced to the achievements of China's economic and social development since its reform and opening up, as well as the Chinese experience behind these achievements.

➤ Lecture 3: A Comparison of Chinese and East Asian or European Cultures

5. Online Cultural Exchange Corner for Chinese and foreign students

If possible, Students (undergraduates, graduate students or international students) in our university will be invited to have one or two online exchanges with you in small groups to discuss academic, social and life topics that are of interest to young people today.
