Faculty of Civil Engineering and Geodetic Science

Leibniz Universität Hannover

Application to a Module Outside the Regular Course Offerings

Please submit the registration for the entire module in the period 15.04.-30.04. / 15.10.-31.10.
(including ALL associated coursework and assessments)

- Signature and stamp of the examiner are not required for modules from the Faculties Civil Engineering department.
- **ZQS-Courses are courseworks (Studienleistungen)** and must be registered within the corresponding deadline.
  If you add a course description to this form, the signature and stamp of the ZQS are not required.
  Please submit certificates directly to the Examination Office.
- Modules that span over several semesters, have to be registered in the semester in which the exam is taken.
- Modules with only one examination period (most other Faculties), must be registered in the 1st registration period.
