After checking the criteria, the application for admission to the master's thesis will be accepted.

Hannover,..... By order:

(Stamp, Signature)

Note: The master's thesis module consists of a written composition and a colloquium. The master's thesis has to be delivered within 6 months after assignment. This deadline can only be extended for reasonable grounds. As a rule, the master's thesis has to be evaluated by two examiners within 4 weeks. When delivering the master's thesis, it has to be declared in writing that the thesis has been composed independently and no other than the sources and auxiliary materials specified have been used and all points in the thesis which have been adopted either literally or analogously from other sources have been marked accordingly, and that the thesis has not yet been submitted to an examination office in similar or identical form.

Surname, Given Name _____ Matriculation Number _____
