Remarks:

- = Valid combination
- = Combination is only possible with a permit from the administrations of the Institute of Theology of the University of Hannover
- = Combination of subjects maybe possible with the approval of the participating faculties
- When choosing the subjects English and Spanish a proof of language proficiency has to be provided; when choosing Music, Performing Arts or Sports qualifying examinations has to be passed.
- Music is only available as a major subject.
- The subject Computer Science can only be studied with a focus on teachers training.

The transition to a professional science master's programme is usually only possible in the major subject. The admission requirements are regulated in detail in the admission regulations of the respective master's programme.
