Remarks:

- = Valid combination
- = Combination is only possible with a permit from the administrations of the Institute for Theology and Religious Studies of the University of Hannover
- = Combination of subjects maybe possible with the approval of the participating faculties

- When choosing the subjects English and Spanish, you have to provide a proof of language proficiency; when you choose the subjects Music, Role Play and Sports, you have to pass an aptitude test procedure beforehand.
- Music is only available as a major.
- The subject Computer Science can only be studied with a focus on teachers training.

The transition to a professional science master's programme is usually only possible in the major subject. The admission requirements are regulated in detail in the admission regulations of the respective master's programme.
