

# Guideline for Motivation Letter

One important part of your application for our degree program M.Sc. International Horticulture is the motivation letter. This guideline should be of some assistance to you.

## Guideline:

1. What is your personal understanding of International Horticulture? (1 sentence)
2. What is your motivation to apply in relation to your
  - a. previous education / work experience?
  - b. preferred working field?
3. What are the most important elements of the M.Sc. International Horticulture program at the Leibniz University Hannover for you personally? Which are the main benefits you expect to gain from this degree program?

At the end it is good to have a sentence like the following:

With my signature I confirm that I have written the motivation letter by myself, without outside help and that I marked clearly all contents taken from other sources.

Place, date: \_\_\_\_\_ Signature: \_\_\_\_\_

**Please make sure that the motivation letter as well as all the other documents conform to the general facilities.**
