The Faculty Council of Gottfried Wilhelm Leibniz Universität Hannover resolved on 30.06.2021 the following amended admission regulations. The Presidential Board approved these amended regulations on 18.08.2021.

Amendments to the Admission Regulations for the Bachelor's Degree Programme Engineering and Business Administration

Section 1 Scope

These admission regulations govern the allocation of places for the bachelor's degree programme Engineering and Business Administration at Leibniz University Hannover.

Section 2 Admission to the first semester

- (1) After the advance quotas have been subtracted, 85% of the remaining places shall be allocated according to the selection process as per paragraph 2 and 15% according to the applicants' waiting period.
- (2) ¹The university allocates the places according to the average mark of the university entrance qualification combined with the mark in mathematics. ²The average mark of the university entrance qualification is weighted at 80%; the mark in mathematics at 20%. ³The mark in mathematics is the average of the marks of the last two school semesters in which the applicant took this subject.
- (3) ¹When applying for enrolment, applicants should provide evidence of an eight-week technical pre-study placement as per the placement regulations for this degree programme. ²If they fail to do so, they shall be enrolled under the condition of providing such evidence by the end of the fourth semester of the degree programme. ³Otherwise their enrolment shall be terminated at this time.

Section 3 Entry into Force

These admission regulations shall be published in the official bulletin of Gottfried Wilhelm Leibniz Universität Hannover following approval.
